The press release is being developed. I just want to know that you have the email lists to push out the statement to our local, state, tribal and Congressional offices.

Yes, are we amplifying whatever HQ transmits or do you want a separate press release?

Laura and Rebecca,

We need to do a notification tomorrow in advance of a 10:00 a.m. MST release. Can you

be prepared to push out a notification message by 9 a.m.? This pertains to winter treatment of the GKM discharge.

Shaun
